STRATEGIC HIGHLIGHTS

1. Supporting Literacy and Workforce Readiness

Our Literacy Program offers a unique setting for adults to achieve their literacy goals, earn high school diplomas and career certificates, and develop the workforce readiness skills they need to succeed in the 21st century.

Regular operation consists of one-on-one tutoring or small group instruction sessions. Our literacy program takes things a few notches higher by offering a plethora of classes and workshops:

- ❖ **Adult Basic Education (ABE)** - classes are for adults at the elementary level (to grade 8) and focus on basic literacy and computational skills.
- ❖ **Adult Literacy programs** - help for English-speaking adults to improve their reading, writing, and communication proficiency and math skills to reach their potential as workers, parents, community members, and life-long learners.
- ❖ **English as a Second Language (ESL)** - ESL1 and ESL Conversation classes for non-native English-speaking adults who want to improve their writing and writing skills.

***ESL1 classes:** Mondays & Wednesdays.

Attendance: Average 31 learners a month.

***ESL Conversation classes:** Tuesdays &

Thursdays. Attendance: 32 learners.

- ❖ **Workforce Literacy** - programs and services that help adults find employment, move into a new job or enter trade-based training programs.
- ❖ **Computer Literacy** - six 4-week basic computer class sessions and nine 4-week Excel classes offered.

Computer Classes: Mondays & Wednesdays or Tuesdays & Thursdays. Attendance: 46.

Excel Classes: Mondays & Wednesdays. Attendance: 72.

- ❖ **Preparation for various tests/exams** such as GED (General Educational Development), HiSet (High School Equivalency Test), ASVAB (Armed Services Vocational Aptitude Battery), Citizenship Exam.

GED, HiSET, ASVAB, Math:

36 tutors paired with 2-3 learners in
1-1 sessions conducted twice a week.

Citizenship classes: 4sessions 10-week
course - Tuesdays & Thursdays
11 learners enrolled; 3 passed exam.

- ❖ In addition to GED and HiSET test preparation tutoring, **Career Online High School**, an educational service offered by Gale and endorsed by the State Library, allows adults lacking a high school diploma to earn an accredited high school diploma and credentialed career certificate at the same time. In partnership with the County of San Diego Library, National City Library offers a \$2,500 scholarship to defray the program costs. We began this program in March and currently have 2 students enrolled.
- ❖ **Virtual Tutoring** - The pandemic resulted in the largest “online movement” in the history of education. Since the Library closed in March due to the COVID-19 outbreak, Literacy staff have worked quickly to move our traditional in-person classes to online, helping tutors and learners make the switch to remote learning. We wanted to help learners stay engaged and focused on learning by bringing together virtual face-to-face connections and conversations into a single platform accessible on a mobile device, tablet, or PC. Kudos to our learners and tutors for showing remarkable resilience during this difficult time. From preserving learner-tutor 1:1s to bringing lessons to life in the virtual classroom, ABE, Adult Literacy, and ESL classes have successfully transitioned to the Zoom videoconferencing platform. Going forward, we will continue to maintain virtual tutoring even when in-person tutoring can resume safely, as a way to give our learners an option to get tutoring from the comfort of their home.

Zoom Tutoring Session

2. Digitally Empowering the Community

From getting an education to upskilling and lifelong learning to securing employment to filing taxes and staying in touch with family, digital empowerment is all about keeping people better connected. National City Public Library is proud to serve as a gateway and vital community anchor institution for digital inclusion, digital advancement, and equitable access to information and resources.

- **State Library's High-speed Broadband Project** - connecting public libraries to the California Research and Education Network, operated by CENIC, a high-capacity fiber-optic-based

network serving more than 20 million users across CA. Over the last 5 years, National City Public Library has been connected to the CENIC network, which is also used by the University of California, the state university system, community colleges and public schools. As a result, the Library has high-speed yet affordable broadband that enables us to offer services like unlimited wireless access, videoconferencing, streaming media, content creation, and longer sessions on terminals. Currently, the Library is applying for year 6 of the broadband project and eRate to increase the bandwidth from 1 to 10GB and expand Wi-Fi access beyond the library building into the parking lot.

- **3D Printer Tech Lab** - today's youth are tomorrow's innovators! 3D printing engages and challenges youth, giving them opportunities to experiment with ideas and growing their creativity. Our Tech Lab is more than just a print shop. Users can learn about TinkerCAD (online software), design their own toys or gadgets, create a prototype, and print them for free.
- **Technology Grants secured for innovative technology solutions** - As part of our *Staying Connected - Technology for All* project, the Library has applied and got awarded two grants: CDBG-CV Grant and Neighborhood Reinvestment Program Grant. These fundings will allow the Library to acquire a collection of laptops and hotspots and establish a laptop/hotspot loan program to literacy learners, giving them access to technology to pursue their literacy goals through remote/distance learning.

CDBG-CV Grant: \$51,500

Neighborhood Reinvestment Program: \$35,000

3. Preserving National City's Cultural Heritage - Digital Archives Initiative

Dedicated to being open-access to our community, National City Public Library joins a growing number of libraries, museums, and archives to provide free access to images and documents to the public. Started in 2017, we began to provide online access to our archival materials on Archive.org.

With over 800 objects currently digitized, including:

- Over 700 historical photographs

Our community can access our growing online collection without any restrictions. These digitization projects were conducted by California Revealed, a State Library-funded initiative to help California's public libraries digitize, preserve, and make their collections widely and openly accessible to the communities.

In the works is the digitization of the Star News local newspaper on microfilm currently conducted by the Center for Bibliographic Studies and Research (CBSR) at University of California, Riverside. This digitization project is slated to be completed by the end of 2020.

4. Partnerships

There's no better approach to solving challenges than forging strategic partnerships, harnessing the strengths and abilities of others, and driving collaborative innovation that delivers what our patrons need. With that in mind, National City Public Library strives to broaden our relevance by fostering collaboration and leveraging offerings our partners can bring to the table to benefit both of our clientele.

- Through the Federal Work Study Program, students of **Southwestern College (SWC)** and **PIMA Medical Institute** have been offering **homework help** to children and tutoring to adult-aged learners in several subjects such as GED, ASVAB, Reading and Writing, ESL, Citizenship, and Math.

PIMA: 17 college student tutors
 SWC: 6 college student tutors
 Total tutoring: over 4,000 hours

Tutoring sessions: Tuesdays & Thursdays, 4:00-6:00 pm
 Average: 4 learners per session

- Jewish Family Service (JFS) of San Diego** - the immigration journey can be challenging. In collaborating with JFS, the Library focuses on helping newcomers successfully navigate the path to citizenship. Facilitated by JFS, our adult learners can now attend free 10-week Citizenship classes that cover citizenship test, interview, and process.

Four 10-week sessions
 offered

11 learners
 enrolled

2 learners passed
 the test!

- **Friends of the Library** - a §501(c)(3) non-profit organization group that has already been a staunch supporter of library services with its Friends members working tirelessly to raise funds through book sales to support library programs and collections. In January 2020, the Friends has made a donation of \$59,468 to fund the cost of digitization of the Star News on microfilm to preserve this unique collection and make it accessible free to all.

Section 4.2 Special Meetings: Special meetings, as are necessary, may be called by the Chair or a majority of the Members of the Library Board of Trustees after at least twenty-four hours' written notice posted and served upon the Members of the Library Board of Trustees. Section 4.3 Meetings Open to the Public: All meetings, including subcommittees, task force, ad hoc committee, etc., of the Library Board of Trustees shall be open to the public and the agenda noticed a minimum of 72 hours prior to the meeting date, as required by the Ralph M.
